

DAIRY SENSITIVE MENU as of 08.21.2026v1

At Pizza Ranch, we recognize that many of our guests are looking for dairy friendly options while still being able to dine out with their families and friends. As a courtesy to our guests, we have created the following dairy sensitive menu. The menu items listed below are prepared without dairy containing ingredients and are based on standardized recipes and information obtained from our approved suppliers. Every effort is made to keep this information current, however due to differences in suppliers, recipe revisions, preparation techniques, and/or time of the year it is possible ingredient changes and substitutions may occur.

Please be aware our kitchens contain multiple sources of dairy and cross-contact may occur during normal kitchen operations including shared friers & preparation surfaces.

Due to these circumstances, we are unable to guarantee that any menu entrée can be completely free of ingredients containing dairy.
